At this stage, Friday 18th September is a night off before the concert; however, should any troupes require more rehearsal time, an additional short rehearsal may be scheduled on this night.

Please note that I will endeavor to run on time, however this can sometimes be difficult when working with so many children, doing costume changes etc.

Please be patient and considerate if we are running slightly behind schedule.

To assist with this process, I ask that all parents are punctual with dropping off and picking up their child/children.

Please aim to drop your child/children off 15 minutes prior to the scheduled rehearsal time, so that we can commence on time.

Thank you in advance for your understanding and cooperation!
